Objective

Passionate learner, building skills in Data Structures, Algorithms, and Web Development. Currently learning DSA with Java and focusing on technologies such as HTML, CSS, JavaScript, React.js, Node.js and Bootstrap. I aim to grow by solving problems, building simple yet functional projects, and adding value to the organization while continuously learning and improving my skills.

Education

- **Galgotias University, Greater Noida** *Oct 2023 – Present*
B.Tech in Computer Science and Engineering **CGPA:** 8.91 / 10
- **Govt. Polytechnic Barauni, Bihar** *Aug 2020 – Sept 2023*
Diploma in Computer Science and Engineering **CGPA:** 8.69 / 10

Skills

- **Languages:** Java, Python, SQL
- **Web Technologies:** HTML, CSS, JavaScript
- **Frameworks:** React.js, Bootstrap
- **Tools & Platforms:** Git & GitHub, VS Code, IntelliJ
- **Core Subjects:** Data Structures and Algorithms, Object Oriented Programming, Database Management Systems, Operating Systems, Computer Networks
- **Soft Skills:** Problem Solving, Communication, Adaptability

Projects

- **JavaScript Calculator** *June 2025 – July 2025*
GitHub Repository
 - **Tools & Technologies:** HTML, CSS, JavaScript
 - Developed a fully functional, responsive calculator with support for both light and dark themes.
 - Implemented custom expression evaluation and real-time input validation for accurate computations.
 - Designed intuitive UI with automatic scrolling for long expressions.
- **Stopwatch Web Application** *Apr 2025 – May 2025*
GitHub Repository
 - **Tools & Technologies:** HTML, CSS, JavaScript
 - Created a stopwatch with Start, Stop, Resume, Reset, and Lap functionality with millisecond accuracy.
 - Enable scrollable lap-history display without relying on any external libraries.
 - Ensured seamless user interaction with clean UI and responsive layout.

Certifications

- Completed certification in course **Alpha (DSA with Java)**, learned core data structures and algorithms using Java with a focus on problem solving.
- Completed certification in **Database Programming with SQL by ORACLE** gained practical knowledge of SQL queries, joins, procedures, and database design.

Achievements

- Solved **300+** problems on *GeeksforGeeks* and *LeetCode*.
- Secured **2nd Rank** overall in Diploma 1st year.
- Achieved **1st Rank** in Diploma 2nd & 3rd years.
